EINSTEINZ MUSIC CD

"Drum roll please" . . . we are very proud to announce the release of the first ever Einsteinz Music CD, entitled Follow The Music. We have wanted to do this CD for many years (and thank you parents who have never stopped nagging us!). Everything fell into place last holidays, when we hit the studios and recorded a rockin' children's CD of songs from our weekly music classes.

The regular favourite 'core' songs are featured, including: *A Ram Sam Sam*, *Inanay*, *The Peanut Song* (also known as *The Train Song*), *Jig Jog*, *The Banana Boat Song* and *Bam Chi Chi Bam*. These songs have been given a new interpretation through unique arrangements. We've also included some of our teachers' personal favourites, like *Down Where the Watermelon Grow*, *Bling Blang*, *Down in The Jungle* and *Mr Clicketty Cane*. Our newest teacher Melanie even wrote a wonderful original song *I can Sing really High* especially for the CD. There are 17 high quality, fantastic tracks in all, exhibiting styles ranging from Rock & Roll, Country, Bluegrass and Choral – with a few silly songs thrown into the mix.

This CD has it all! We are sure you will agree that it was worth the wait. Follow The Music is a

collaboration between Jules, Matt, Rob, Wayne, Melanie and Chris and showcases their amazing musical talents.

The CD will be a perfect gift for your children (and other children, even if they have never attended our classes). It is an ideal Christmas stocking filler or holiday present.

THE CD COSTS \$25 & YOU CAN BUY IT AT:
